Bioagricultural sciences, Nagoya University	Việt Nam	This was my first time to wear Yukata and join the festival. I would like to know more about Japanese culture.	My son and I were kindly supported to wear Yukata. Although most of the Yukata were designed for girls and women, you still made the effort to provide one suitable for a boy, which I truly appreciate. Thank you also for your kind assistance in helping us wear the Yukata properly.	
名古屋大学生 命農学研究科	中国	日本文化の体験にとっても興味があります	<p>初めて浴衣を着る機会をいただき、とても貴重な体験になりました。着付けを手伝ってくださったスタッフの皆さんがとても親切で、安心して楽しむことができました。</p> <p>浴衣を着てお祭りに参加し、日本の伝統的な夏の雰囲気を楽しむことができ、とても感動しました。盆踊りにも挑戦し、初めて会った人たちとも一緒に踊って、楽しい時間を過ごしました。</p> <p>日本文化への理解がさらに深まりました。このイベントは私にとって忘れられない夏の思い出です。素晴らしい体験をありがとうございました。</p>	はい、このイベントに参加したことで、自分の国の伝統的な衣装やお祭りについて改めて考えるきっかけになりました。日本の浴衣や夏祭りの雰囲気を体験しながら、中国の伝統衣装であるチャイナドレスや漢服、そして中秋節や春節などの行事のことを思い出しました。どの国にもそれぞれの文化や美しさがあると感じました。

Graduate school of law, Nagoya University	Vietnam	I participated in this program because I wanted to share a meaningful cultural experience with my daughter. It was her first summer in Japan, and I hoped she could learn more about Japanese culture and summer festivals while also creating beautiful memories together.	It was such a joyful experience! I enjoyed meeting and connecting with others, joining in the festive atmosphere, wearing a Yukata, and dancing the Bon-Odori together. My daughter also loved the event, and it was wonderful to see her happily experiencing Japanese culture and traditions for the first time.	Yes, participating in this event made me think about my own country's traditional outfits - Ao dai. I also think about the festivals and how valuable they are in connecting people and keeping our culture alive.
Graduate School of International Development	Myanmar	My main reason for participating in this program was to experience and appreciate Japanese traditional culture more deeply. I was especially interested in Bon dancing and wearing a kimono because they represent unique and beautiful aspects of Japan's heritage. I wanted to learn through direct experience and also connect with local people through cultural exchange.	It was a wonderful opportunity to not only enjoy the culture but also feel part of the community, even for a short time.	Yes, this event encouraged me to think more about the traditional clothing and festivals of my own country. Seeing how Japan values and actively celebrates its culture through Bon dancing and kimono made me realize how important it is to keep our own cultural practices alive.
Nagoya University	China	I want to enjoy my life in Japan and learn about Japanese culture.	I really felt happiness that day. Thank you so much to invite me to this festival.
